INDOOR SOCCER LEAGUES

REGISTRATION

Registration for this fall/winter indoor soccer leagues will begin on September 12th. Due to high demand, teams will need to register early to be guaranteed a spot in this season's leagues.

The Ackerman Sports & Fitness Center (www.ackermansportsandfitnesscenter.com) will be offering two sessions of indoor soccer for the fall/winter season. Leagues will be offered for boys, girls, and adults. Games will be played on the brand new "field turf" surface. The field measures 60 yards by 40 yards with NO boards (outdoor rules apply). All games will consist of two 20-minute halves. League fees include turf rental, referees, and championship awards.

Registration: Individual registrations will not be accepted. All registrations must already have a full team. Team registrations can be completed at any Park District office. Registration is open until leagues fill. Any team that registers for Session I will receive a \$100 discount off their Session II registration.
